RECENT TECHNICAL PROJECTS

Budgeting Web Application

Personal Project @ AgileSpending.com

09/2020 - Present

Achievements/Tasks

- Designed and developed a single page application that requires high user interaction and elements such as forms and modals using React JS library.
- Keep code base maintainable using **React hooks** and **Material UI** Component Library
- Tested source code with **unit** and **E2E integration tests**
- Built **Continuous Integration** pipeline using Github Actions

Twin Cities Recreational Website and Admin Panel Application

Freelance Project @ TcRecreational.com [🔗](#)

10/2018 - Present

Achievements/Tasks

- Build web pages and application using modern isomorphic JavaScript technologies using **React/Redux** and **Bootstrap 4** on the frontend integrated with a **RESTful API** backend built with **Node** and **MongoDB**
- Build URL links that are compatible with Social Media sites and are used for strategic marketing
- **Increased average sale leads** generated from the website **from 0 to 10 per month** for the last 12 months

Contact: Herman Rott, Current Freelance Client - (651) 983-3945

e-Commerce Site and Admin Panel Prototype Open Source Project [🔗](#)

10/2018 - Present

Achievements/Tasks

- Developed, published to Github, presented project to local web developer community, and use it as a framework for my current freelance client's website - TcRecreational.com.
- Created **4 essential eCommerce site features** which includes Product listing, Shopping List, Guest Cart Checkout, and Product management via Admin Panel
- Tested critical use cases with E2E integration tests

TECHNICAL SKILLS

Frontend: React, Redux, JavaScript, Bootstrap, Material UI, HTML, CSS

Backend: Node, Express, MongoDB

Development Tools : Git, Jest, react-testing-library, cypress

Practices: Agile(Scrum, Kanban) Development

RELATIVE EXPERIENCE

Freelance Web Developer @TcRecreational.com and @NewLifeInChristFellowship.com (2018 - Present)

- Build and design web pages and applications for Twin Cities Recreational LLC to advertise and sell their products online
- Design and create creative projects such as brand logo, store signs, product pictures, advertising banners, and copy writing.
- Built and maintain NLCF church website, managing web contents to engage local community
